

Center for Evolutionary Leadership®

Systems — Language — Actions

We live in an unsustainable civilization. The world is calling out for leaders and organizations ready to evolve our cultures, institutions and societies toward a just, sustainable and flourishing civilization.

Leadership is essential to the future of our world.

We offer you leadership development and a system for enhancing your capacity to mobilize yourself and your organization-community toward achieving your purpose-vision and contributing toward a conscious evolution for a just, sustainable, and flourishing civilization.

Systems Evolution

- Organizational effectiveness-
results orientation
- Strategic collaboration
- Local and global impact

Evolutionary Leadership

- Purpose-Vision
- Mobilize for action-change
- Seven competencies

Cultural-Global Evolution

- Effective theory of social change
- Conscious evolution toward a
flourishing civilization.
- Networks of global collaboration

At the Center for Evolutionary Leadership, we recognize that people are searching for ways to meet the many planetary challenges and make a difference in the world. At the same time, we observe the urgent need for more effective leadership—the need for vision, trust, cooperation and collaboration, and systemic knowledge—that is able to coordinate as a movement at national and planetary scale.

You are invited to meet these challenges by participating in:

- Evolutionary Leadership Seminar (3-day workshop and online programs)
- Evolutionary Coaching for Leadership and Teams
- Consultation for Organization Transformation
- Consultation on your Theory of Change and Strategic Collaboration

Center for Evolutionary Leadership

Systems – Language – Action

What can this mean for you?

To us, leadership is fundamentally about effectiveness and mobilizing people toward a purpose. Let's have this conversation.
